Countdown to Recital!

We're in full swing preparing for our annual recital, and the energy is electric! From practicing at home, dress rehearsals, and headshot photos, our dancers are working hard to bring their best to the stage. We can't wait to see all that they've accomplished come to life under the spotlight. Be sure to read on for important dates, reminders, and ways you can help your dancer feel confident and recital-ready!

We are also approaching the end of the season, which means evaluations will be coming to you soon. This is a great way for you to see their progress documented and view recommendations for the next great season!
